Affirmative Action:

Chemeketa Community College prohibits unlawful discrimination based on race, color, religion, national origin, sex, marital status, disability, protected veteran status, age, gender, gender identity, sexual orientation, pregnancy, whistleblowing, genetic information, domestic abuse victim, or any other status protected by federal, state, or local law in any area, activity, or operation of the College. The College also prohibits retaliation against an individual for engaging in activity protected under this policy, and interfering with rights or privileges granted under federal, state, or local laws.

Under College policies, equal opportunity for employment, admission, and participation in the College's programs, services, and activities will be extended to all persons, and the College will promote equal opportunity and treatment through application of its policies and other College efforts designed for that purpose.

Persons having questions or concerns about Title IX, which includes gender-based discrimination, sexual harassment, sexual violence, interpersonal violence, and stalking, contact the Title IX coordinator at 503-584-7323, 4000 Lancaster Dr. NE, Salem, OR 97305, or <http://go.chemeketa.edu/titleix>. Individuals may also contact the U.S. Department of Education, Office for Civil Rights (OCR), 810 3rd Avenue #750, Seattle, WA 98104, 206.607.1600.

Equal Employment Opportunity or Affirmative Action should contact the Affirmative Action Officer at 503.399.2537, 4000 Lancaster Dr. NE, Salem OR 97305.

To request this publication in an alternative format, please call 503.399.5192.

Program Overview:

The Pharmacy Technician Program is a limited enrollment, one year certificate with the option to continue into a two-year AAS degree program. This program will accept up to 24 applicants.

The Pharmacy Technician certificate program prepares students for positions in community, clinic, and hospital pharmacies. Pharmacy technicians assist licensed pharmacists with preparation of medications. Courses focus on the abilities needed to assist the pharmacist in collecting, organizing, and evaluating information for direct patient care.

Content includes drug classification, pharmacokinetics, and pharmacodynamics of prescription medications, as well as an introduction to non-prescription drugs; pathophysiology regarding diseases; pharmaceutical inventory control; laws and ethics that apply to pharmacy operations; introduction to specialty pharmacies; in-depth concepts of sterility and quality assurance processes; and multicultural aspects of health care. In addition, students develop communication skills and essential mathematical concepts related to medication dosing. Students will also participate in workplace experiences.

The intent of the program is to prepare students to take the national certification examination to become Certified Pharmacy Technicians and be employed in a pharmacy setting.

Application Process/Timelines:

Applications Acceptance Period:

February 1, 2024 – June 27, 2024

Application period has been extended to June 27, 2024.

Applications will be accepted during the application acceptance period. Late applications will not be considered due to strict review timelines.

Application Review Period:

July 8th – 12th

The application review period has been extended to account for extending the application deadline.

Applications will be reviewed by administrative staff during the application review period. The timeline may be adjusted based on the number of applicants.

Transcript Evaluation Process:

Applicants who would like to utilize completed courses from other colleges and/or universities will need to submit the following:

- Official transcripts
- Submit official transcripts and forms to Enrollment Services at evaluation@chemeketa.edu
- [Request for Evaluation and Transfer of Previous Credit \(click here\)](#)

Transcripts evaluations take an average of 10 weeks to complete. To ensure you have your transcripts evaluated prior to applying, transcripts and evaluation request must be submitted by **February 5, 2024**.

Communication

Applicants will be required to have access to their my.chemeketa.edu email for all application and course related communications. Applicants should be checking their email at least 3 days a week (daily is recommended)

Pharmacy Technician/Pharmacy Management Program Information

The Pharmacy Technician Program is a 9-month, full-time, limited enrollment certificate program that admits 20 students in the fall term. The Pharmacy Tech Management Program may be taken in conjunction with the Pharmacy Technician Program.

Disclosure of Student Information

In compliance with the Family Educational Rights and Privacy Act (FERPA), Chemeketa Community College releases only very limited information regarding students. All Pharmacy Technician students, including those who have filed a Request for Non-Disclosure of Student Information Form, should be aware that some confidential information may be shared. Contracts with practicum placement sites require that the following information be made available about students placed at these sites: CPR certification, immunization status, TB screening test results, criminal background check and drug screen. Students may also be required to submit to an additional 10-panel drug screen urinalysis (UA) as requested by the practicum site. The results of this test

will be made available to the requesting practicum site. This information is needed for the purposes of student and patient safety.

Every effort is made to limit access to confidential student information to those who have a need to know. For more information regarding Non-Disclosure of Student Information, contact Enrollment Services at 503-399-5001.

Oregon Administrative Rule (OAR) – Clinical Requirements:

The OARs that Chemeketa's Pharmacy Technician program follows can be found by following the link below.

<https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=1662>

Technology Requirements

It is highly recommended that students have access to a computer with high-speed internet access and a printer. Electronic technology is used extensively in the presentation of content throughout the Pharmacy Technician Program. If students do not possess their own equipment, they should plan to spend at least 20 hours per week utilizing on-campus computer lab and/or library resources.

Student Accessibility Services

Students should seek accommodation advice as soon as possible after admission to the Pharmacy Technician program so that a plan for accommodation can be in place at the beginning of the program. Contact the Office of Student Accessibility Services to discuss the process of identifying reasonable accommodations. This office is in Building 2, first floor (telephone 503.399.5192 [voice/TTY] or email studentaccess@chemeketa.edu). Reasonable accommodation will be directed toward providing an equal educational opportunity for students with disabilities while adhering to the standards of pharmacy technician practice for all students.

If a student is dissatisfied with any outcomes from Student Accessibility Services, they may appeal the decision through the Dean of Health Sciences.

Questions?

Please contact the following advisor:

Cheryl Buckholz, Program Chair - 503 365.4696

Course Prerequisites, Sequence, and Cost:

Prerequisites:

Course Number	Course Name	Credits	Tuition	Fees	Total
MTH060 (or higher)	Introductory Algebra (or Higher)	4	\$404	\$148+	\$552+
PSY104 (or higher)	Workplace Psychology	4	\$404	\$148+	\$552+
WR115 (or higher)	Introduction to Composition	4	\$404	\$148+	\$552+
Total		12	\$1,212+	\$444+	\$1,656+

Program Courses:

Term 1					
PHM101	Introduction to Pharmacy Technology	1	\$101	\$37+	\$138+
PHM115	Pharmacy Operations and Management	3	\$303	\$111+	\$414+

Term 3 Total		14	\$1,414	\$572	\$1,986+

*Curriculum is subject to minimum credit hour adjustments for 2024

The total tuition and fees are subject to change based on college budget adjustments and program related fee adjustments.

Program Cost:

The program costs may vary based on education tuition/fee adjustments, inflation, and other external factors.

Estimated tuition and fees for the prerequisite:

Tuition: \$1,212

Fees: \$444+

Total: \$1,656+

Estimated tuition and fees for program specific classes (once accepted):

Tuition: \$\$4,444

Fees: \$1,907+

Additional estimated costs that occur related to the program:

Background check/drug screening \$83

Immunization: variable/student

CPR Course: \$75

Scrubs: \$70/set

Exam Fees: \$150

Fingerprinting: \$15

Application Score Guide:

Course Number	Course Name	A (6 Pts)	B (4 pts)	C (2 pts)
MTH060 (or higher)	Introductory Algebra (or Higher)			
PSY104 (or higher)	Workplace Psychology			
WR115 (or higher)	Introduction to Composition			
Total Points				/18

Applicants that have not completed the pre-requisites may still apply; however, may not be accepted. Priority will be given to applicants that have completed the prerequisites

Criminal Background Check and Drug Screening

Once a student has been accepted to the Pharmacy Technician Program, he/she will be required to pass a criminal background check, conducted by the Oregon Board of Pharmacy, which fulfills the requirements of the Oregon Board of Pharmacy as well as clinical sites. In addition, students will be required to pass a ten-panel drug screening urinalysis which fulfills the requirements of clinical sites. If a student does not pass the criminal background check and/ or the drug screening, program registration will not be possible.

If a student is arrested during the time, he/she is enrolled in the Program, he/she must notify the Program Chair of the Pharmacy Technician Program of the arrest. The student's status in the Program will be reviewed by the Pharmacy Technician Program Chair and the Dean of Health Sciences office. A possible outcome of the review may be the student's inability to continue in the Program.

Students may also need to submit to a ten-panel drug screen urinalysis (UA) and/or an additional criminal background check prior to spring term practicum placement as requested by practicum sites.

Information for the required criminal background check and the drug screening will be provided with the Acceptance letter by Chemeketa email.

Immunizations Requirements:

This program requires a variety of immunizations after acceptance into the program. The following vaccines will be required:

TB Screening:

You will be required to submit **one of the following**:

- 2 step-skin test (2 tests)
 - Test must be read after 48-72 hours
 - Second test must be received at least 1 week and no later than 3 weeks after the first test
- Blood draw
 - A QuantiFERON Gold blood draw showing a negative test result can be used to fulfil this requirement.

Notes:

- If there is a history of positive TB, documentation of recent medical evaluation to certify you do not have active infectious tuberculosis will be required.
- If you need the Varicella and/or MMR immunization(s), please have them done with or after the second skin test TB screening.

Measles, Mumps, Rubella (MMR)

You will be required to submit **one of the following**:

- Proof of two doses of MMR (injection) or
- Proof of positive titer (blood draw)

Notes:

- If the MMR vaccine is needed, you can receive this with and/or after your **second** skin test TB screening.
- This vaccine can be provided at the same time as the Varicella vaccine if needed.

Varicella (Chicken Pox)

You will be required to submit **one of the following**:

- Proof of two doses of Varicella (injection) or
- Proof of one dose prior to age of 13 (injection) or
- Proof of positive titer (blood draw)

Notes:

- Documentation of having the disease is not accepted
- If the vaccine is needed, it should be received with and/or after the **second** skin test TB screening

Hepatitis B (HBV)

You will be required to submit **one of the following**:

- Proof of three dose vaccine (injection)
- Proof of positive titer (blood draw)

Tetanus, Diphtheria, and Pertussis (Tdap)

You will be required to submit the following:

- Proof of vaccine within the last 10 years (cannot expire during program)

Flu

You will be required to submit **one of the following**:

- Proof of seasonal flu vaccine
 - Vaccine documentation must include
 - Location/facility received
 - Date of injection
 - Site of injection
 - Lot# and VIS#
 - Expiration date
- [Declination Form \(click here\)](#)

Notes:

- The Flu vaccine is required during the flu season and is usually due by October 1st of each year.
- If a declination form is submitted, a mask must be worn while at a clinical facility.

COVID-19

You will be required to submit **one of the following**:

- Proof of vaccine
- [Declination \(click here\)](#)
- [Medical Exemption \(click here\)](#)
- [Religious Exemption \(click here\)](#)

CPR Requirements:

Per Oregon Administrative Rule, the Pharmacy Technician program requires a valid American Heart Association (AHA) Basic Life Support (BLS) provider level course.

Application Checklist:

- Apply to Chemeketa Community College
 - Visit [How to Enroll \(click here\)](#) if you are not an active student
- Complete the transfer evaluation (if needed)
 - Transcripts must be evaluated and transcribed at Chemeketa prior to applying
 - Reference the [“Transfer Evaluation Process”](#) above for necessary dates
- Review the [Course prerequisite, Sequence, and Cost Guide](#)
- Review [Application Score Guide](#) to ensure required classes are completed
- Review required [background, drug screen, and immunization requirements](#)
- Complete/submit Application Form (page 11)
- Obtain/submit copies of your Chemeketa unofficial transcript (must be submitted with your application)
- Obtain/submit copies of your High School diploma or GED (must be submitted with your application)

Submit your complete application one of the following ways:

- Drop off to Chemeketa Salem Campus Building 8 Room 104
- Scan and email to healthsciences@chemeketa.edu
 - Please submit as full-page scans (PDF/JPEG). Do not submit pictures of the documents with a phone or tablet.
 - Please do not convert/open the PDF in a word/Google Doc as it impacts the format and integrity of the form.

Pharmacy Technician Fall 2024 Application Form:

Chemeketa Student ID (K#):	K								
Last Name (Legal):									
First Name (Legal):									
Preferred Name (if different):									
Student Email:									
Personal Email:									
Telephone Number (include area code):									
Mailing Address:									
City					State:			Zip:	

I acknowledge that:

- I have reviewed the application packet in its entirety
- I must check my school email account regularly
- I may not be considered for the program if prerequisites are not complete
- I must submit an unofficial Chemeketa transcript for my application to be considered complete
- I must submit a copy of my High School diploma or GED
- If accepted into the program, I must:
 - pass a background check by required deadline
 - pass a 10-panel drug screen by required deadline
 - Submit required immunization by requested deadline

By signing, I certify that all statements on this application are complete and true
