Chemeketa does not warrant the acceptance by other institutions to which a student may wish to transfer credits granted by Chemeketa on the basis of International Baccalaureate exams. Students transferring IB credits to another college will have to submit an IB transcript, including test scores, directly to the college to which they plan to transfer.

Students, upon applying for admission and being admitted to Chemeketa, should submit their official International Baccalaureate transcript from IB to the Chemeketa Enrollment Services office.

*For these certificate courses, if Chemeketa offers the language, then it will come in as an elective or equivalent for the corresponding language.
